

**PRESENTER:
TRICIA SALERNO**

Tricia Salerno has been teaching Singapore Math for more than 12 years and has been training the program for eight years. Tricia was a math curriculum author and editor on EngageNY, and she is an expert at blending Common Core Standards with Singapore Math® Strategies. Tricia is the author of Math Sprints, Review Singapore Math® supplemental books, and coauthor of the Singapore Math® Intervention Club books for grades 2-5. Tricia is also the author of the very popular Differentiated Sprints.

Parent Math Night

Interested in extending your child's math learning at home? Hoping to better support your child with their mathematics education? Join us for an evening of dinner and information! Presenter Tricia Salerno will be providing ideas for math activities and opportunities for problem-solving that you can build into your regular family routines to enhance your child's mathematical engagement and understanding.

Date: Thursday, June 7, 2018

Time: 6:00-7:30 PM

Be prepared for a presentation and information, great conversation, and some mathematical problem-solving! Dinner will be provided.

Please note that this is an adult-only event and childcare will not be provided.

Please RSVP to:
