

Hello CHA Families,

My name is Charis Whalen. I am the CHA Librarian Specialist. This is my fifth year at CHA and my second year as the Library Specialist. I am excited to open the library to students this year and give students the opportunity to explore books to check out and bring home!

My objective is to develop a love of reading for all students by exposing them to age-appropriate books, both fiction and non-fiction. I believe that the library is a resource for the entire school, and it is important to have the most current books in our collection. Therefore, I added a section of the library dedicated to new books for students to discover this year.

I look forward to our partnership and working with your child. Please feel free to contact me via email or Teams for any questions.

Thank you,

Charis Whalen
