

Chestnut Hill Academy Parents and Teachers Ensuring Results

Month of Giving Opportunities

We invite you to show your support in the Month of Giving by purchasing one of the packages below or by contributing any dollar amount, knowing that you are helping provide vital funding that enables us to offer educational excellence through academic programming and experiential learning. Each year, CHAPTER spends over \$1500 on each student. The money raised at last year's auction helped provide funds for many initiatives during the 2020-2021 school year, such as new Math and Language Arts Curriculums, Annual Book Refresh for the Library, Grade Level Socials, Community Building Events, Continuing Teacher Education, Classroom Improvements, Technological Investments, and so much more!
