

CHESTNUT HILL ACADEMY CHESS CLUB

The Chess Club is open to ages K-5 grades from beginning level to advance competitors. It will begin on **Wednesdays** from **3:45-4:45** except holidays. There are three programs for students to have an opportunity to enroll and learn the "royal" game. Coach Chouchan (aka Shoushan), whose students won victories on a regular bases, will teach the Chestnut Hill Chess club. Her style of coaching is very encouraging and she focuses on bringing out the student's strengths rather than forcing them into a particular style.

Program 1, Fall: **Oct. 19, 26, Nov. 2, 9, 30, Dec. 7 & 14.**

Program 2, Winter: **Jan. 11, 18, 25, Feb. 1, 8, 15, Mar. 1, 15 & 22.**

Program 3, Spring: **March 29, April 5, 19, 26, May 3, 10, 17, 24, 31 & June 7.**

The goal is to have fun in the chess club. Each session starts with 8-10 minutes lecture, then 15-20 minutes puzzle solving/practice, 25 minutes play and 5 minutes to review the previous week's topics. The students learn chess by watching, practicing, playing and teaching others. Extensive research has shown that if chess is introduced at younger ages, it has a dramatic impact on student's grades, strategic thinking, brain development and improves their social skills.
