

# 2021-2022 Library Standards

## Including Perspectives (A2, B2)

A2: Learners contribute a balanced perspective when participating in a learning community by describing their understanding of cultural relevancy and placement within the global learning community.

B2: Learners adjust their awareness of this global learning community by representing diverse perspectives during learning activities.

## Selecting Resources (A4, B6)

A4: Learners act on an information need by identifying possible sources of information.

B6: Learners use valid information and reasoned conclusions to make ethical decisions in the creation of knowledge by ethically using and reproducing other's work.

## Exploring Ideas (A5)

A5: Learners develop and satisfy personal curiosity by reading widely and deeply in multiple formats and write and create for a variety of purposes.

## Investigating Ideas (C1, D6)

C1: Learners adapt, communicate, and exchange learning products with others in a cycle that includes interacting with content presented by others.

D6: Learners engage with information to extend personal leaning by personalizing their use of information and information technologies.

## Collaborating Together (D3)

D3: Learners actively participate with others in learning situations by actively contributing to group discussions.
